Chris,

Thanks for the update on potential next steps. To this email I've attached the updated draft of the letter which reflects feedback from OFA-NCD, OWOW, and OGC. The redline version shows the changes that were made. While the messaging has not changed I do believe the letter has been tightened and refined and is an improved version. We'll touch base with you again on Monday.

Andrew

Hi Andrew,

Here is the revised letter, incorporating edits from OFA-NCD, OWOW, and OGC. I've attached both a clean letter and a redline version that shows the changes from the 8/13/20 letter.

Regards,

Molly
